

Lectures timetable for International Students - Erasmus+ Programme

Winter semester 2021/2023

	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY		
7:30							
7:45							
8:00							
8:15							
8:30							
8:45							
9:00							
9:15	General Food Technology, ul. Balicka 122, room 0.129, lecture, 9:00 am -10:30 am, First lecture 10.10.2022	Environmental Biotechnology and Bioremediation, Al. 29 Listopada 54, room 515, classes, 9:00 am-12:30 pm, From the second half of the semester (November, will be determined during lectures, 3 meetings)		PLANT PROTECTION, Al. Mickiewicza 21, room 401, 8:00 am - 12:00 pm, Lectures and classes start at the 20th of October 2022			
9:30			New Trends in Food Processing and Preservation Technology, ul. Balicka 122, room 0.129, lecture, 10:00 am - 11:30 pm, First lecture 11.10.2022		Soil Science and Plant Fertilization, Aleja Mickiewicza 21, room 329, 9:30 am -12:30 pm, First classes 12.10.2022		
9:45							
10:00							
10:15							
10:30							
10:45	General Food Technology, ul. Balicka 122, room 0.135, 0.136, laboratory, 11:00 am - 2:00 pm, first laboratory 10.10.2022	New Trends in Food Processing and Preservation Technology, ul. Balicka 122, room 0.135, 0.136, laboratory, 12:00 pm - 3:45 pm, Firtc laboratory 11.10.2022		ORGANIC FARMING, Al. Mickiewicza 21, room 134, 9:30 am-11:30 am, Lectures, First lecture 14.10.2022			
11:00							
11:15							
11:30							
11:45							
12:00							
12:15							
12:30							
12:45							
13:00							
13:15							
13:30							
13:45							
14:00	Integrated Plant Protection, Al. 29 Listopada 54, room 530, 1:30 pm -3:45 pm, First classes 10.10.2022	New Trends in Food Processing and Preservation Technology, ul. Balicka 122, room 0.135, 0.136, laboratory, 12:00 pm - 3:45 pm, Firtc laboratory 11.10.2022		Biological and Biotechnical Methods of Plant Protection, Al. 29 Listopada 54, room 530, 1:15 pm -3:30 pm, First classes 20.10.2022			
14:15							
14:30							
14:45							
15:00							
15:15							
15:30							
15:45							
16:00							
16:15							
16:30	AGROECOLOGY and ENVIRONMENTAL PROTECTION, Al. Mickiewicza 21, room 402, lecture 4:30-6:45 (classes from the second half of the semester), First lecture 10.10.2022	Environmental Biotechnology and Bioremediation, Al. 29 Listopada 54, room 524, lectures, 4:00 pm-6:15 pm, First lecture 10.10.2022		SUSTAINABLE CROP PRODUCTION, Al. A. Mickiewicza 21, room 407, 2:00 pm - 4:00 pm, First classes 12.10.2022	ORGANIC FARMING, Al. Mickiewicza 21, room 134, 2:15 am-4:45 am, Classes, First classes 14.10.2022		
16:45							
17:00							
17:15							
17:30							
17:45							
18:00							
18:15							
18:30							
18:45							
19:00
