

Prof. Zygmunt M. Kowalski, PhD, hab.

University of Agriculture in Krakow

Faculty of Animal Science

Address: Al. Mickiewicza 24/28, Room 301

Tel: +48 12 662 4084, +48 12 662 4075

Email: rzkowals@cyf-kr.edu.pl

Consultation hours: Monday 11:00-13:00

Research interest:

- Feeding of high yielding cows – prevention of metabolic diseases, especially ketosis
- Feeding of calves – effect of nutrients on development of gastrointestinal tract and immune system
- Methods of evaluation of feeding value

PI in current projects:

1. Prevalence and risk factors of ketosis in Poland
2. Ketone bodies in milk of Polish dairy cows – big data study
3. Effects of feed additives at postnatal period on the growth and development of dairy calves

Research experience:

Visiting Scholar: University of British Columbia, Canada; University of Udine, Italy; The Hebrew University of Jerusalem, Israel, INRA, France

DSc, (Habilitation): 1998

PostDoc

PhD: 1989

MSc: 1981

Professional profiles:

ORCID: <http://orcid.org/0000-0003-3935-9531>

Research ID:

Mendeley:
